WE ARE AN ACTIVE
BICYCLING COMMUNITY
IMPACTING *global* YOUTH

Greetings friend! Thank you so much for taking the time to check out Ends of the Earth Cycling. We host multi-day cycling tours throughout the United States to promote and resource global youth ministries. Like you, we understand how it feels to want to change the world. So let's ride bicycles to do it together!

For some, our cycling tours have been a physical challenge to accomplish. For others, our tours have served as a spiritual renewal in their lives. Whatever your reason might be, join us in speaking up for those who cannot speak for themselves (Proverbs 31:8-9)!

We invite you to join us by cycling or supporting on one of our multi-day cycling tours right here in the United States to bring the hope of the Gospel to global youth.

Join a tour and activate your faith physically and spiritually as you #PrayPedalRepeat on mission with a global purpose!

In Christ,
Justin Hanneken

Ends Cycling believes everyone deserves the same access to the gospel, and we're willing to go the ends of the earth to see that vision fulfilled by the power of Christ.

Since the first ride in February of 2012, God has worked through Ends Cycling to leverage resources for things like clean water, alleviation of hunger, prevention of human trafficking, global youth ministry training, and lives transformed for His glory.

We give people who want to change the world the opportunity to use cycling to bring the hope of the gospel to global youth through multi-day, Christ-centered bicycling tours.
